## Free Summer Lunch Program 2017

It is time to begin planning for the Free Summer Lunch Program again this year! This is an annual Delaware City Schools program, provided in partnership with Andrews House, Second Ward Community Initiative and the Delaware City Schools Family Resource Center. However, it's the volunteers, like you, that make the Summer Lunch program not only possible but also successful and fun!

The lunch program will be moving again this year. Due to the construction at Woodward Elementary continuing this summer, the lunch will be relocating to the **Second Ward Community Initiative** (54 Ross St., Delaware; near Woodward). Beginning Tuesday, May 30, 2017 (Monday is Memorial Day) and running through Friday, August 11, 2017, we will be offering a free lunch to anyone, 18 years of age and younger, who arrives at Second Ward between 12:00 pm and 1:00 pm.

We need at **least 7 (but no more than 10)** people to help out each day. Volunteers will help with such things as opening those difficult to open items, keeping the lunch tables and facility clean, conducting lunch counts, sanitizing hands, and on Fridays, passing out bags of food for the weekend. And of course, we also need partners who are willing to come and provide a **fun activity** for the children once they are done eating. We will begin setting up for the lunch program at around 11:45am and usually finish cleaning up around 1:15pm.

If you are interested in volunteering to help out with lunch or providing an activity for the children, please fill out and return the form below as soon as possible. If you have questions, do not hesitate to call me at 740-833-1619. Thank you so much in advance for your help and support. It is really appreciated!

Sincerely,
