

Food Pantry Donations

Andrews House maintains a **small emergency food pantry** for individuals in emergency situations or have exhausted other pantry options. In addition, we maintain a **Little Free Library & Pantry** on Winter Street in front of Andrews House which is accessible 24/7. This is an increasing need. When needed, we deliver pantry items to people.

Items we need for our pantry:

100% fruit juice drinks or electrolyte drinks
Canned fruit (pop-top) or fruit cups
Canned vegetables
Canned Tuna or Chicken (pop-tops are preferable)
Individually wrapped snacks like Nut Packets, Granola Bars, Protein Bars, Chips, etc
Shelf-Stable Milk
Rice or Ramen Noodle
Pasta and Pasta Sauce
Oatmeal packets
Pancake/Muffin Mix that only require Water
Pancake Syrup
Peanut (or other nut) Butter & Jelly
Canned Ravioli, Stews, Soup, & other heat-and-eat foods with pop-tops
Allergy friendly food options (gluten free, nut free, dairy free)
Coffee

We could also use:

Household cleaning supplies and Laundry Detergent
Toilet Paper/Tissues/Paper Towels
Hygienic Items (Soap, Deodorant, Feminine Care, razors; travel size toiletries are great!)
Paper products such as cups, napkins, plates, plastic-ware.

Please contact our office at 740-369-4520 to coordinate donations drop-off, M-F 9am-5pm. Items for the Little Free Library & Pantry (if the amount is small) can simply be put inside the structure any time. We also take book donations for the Little Free Library, of course!

Monetary Donations can be made on our web site at: <http://andrewshouse.org/donate/> If you want your donation to be solely for the pantry, please designate it as such.

Thanks to wonderful donors and supporters like you, we can provide this small emergency pantry to individuals and families in need.

Thank you for your support!

In addition to these items for our pantry, we look for donations of office supplies such as paper, cardstock, or any sort of office supplies. And, we will take ½ bottles of cleaning supplies, dish soap, etc. If you are downsizing and need to pass along items like this, we most likely can use them. Call us at 740-369-4520 if you are unsure about a particular item. Thanks!
